# **Nomination for Membership**

**Geelong's oldest business association, supporting the local business community since 1961.**

The Geelong Business Club was established in 1961 by a group of influential business people for the benefit of senior executives and business leaders across the region of Geelong to share in fellowship.

Today, almost 65 years later, the Geelong Business Club has opened its doors and its offering to a deeper cohort of those servicing the Geelong Business Community.

We pride ourselves on bringing together a diverse community of business professionals who embrace the opportunity and benefits of surrounding themselves with like-minded individuals sharing similar challenges and opportunities, albeit in their own industries and fields of expertise.

The Geelong Business Club provides a forum for these business professionals to meet regularly and to expand their professional networks, discuss key business and economic issues, share and leverage industry experiences and expertise, and foster, encourage and enhance the growth of our regional industries and a competitive economy.

All nominees must complete the nomination process to gain membership into the Geelong Business Club.

On completion of the required information and submission of the form to the Club, our Executive Officer will commence the process of having your nomination vetted by the Committee who will be in contact with you in due course.
